Paying your contributions

Have you already paid your contributions for 2019?

In order to avoid being charged interest in arrears or being excluded from the voluntary insurance, please make sure you have paid your OASI/AI contributions in full before 31st December 2020.

You can find our [bank details](#) on our website.

To avoid having to pay the total amount of your contributions within 30 days, we advise you to pay instalments in advance, based on your last contribution amount.

We wish you a very Happy Holiday Season!

Yours faithfully,
